International Training

22–23-24 September 2025

morning: 11:00-13:00

afternoon: 15:30-19:00

Venue: Museo della Tonnara, Via Lepanto snc, 07040 Stintino

Schedule of activities

22 september - morning	1. **Icebreaking** 2. **Territorial exploration** The participants explore Stintino with a map, highlighting spots and places that could be objects of regeneration.
22 september - afternoon	1. **Guided tour of Museo MUT**: an old factory regenerated that now hosts a museum. 2. **Discussion** about the exploration and **creative process**: what have we observed? What are the main places that could be an object of regeneration? What kind of projects do you imagine?
23 september - morning	1. **Focus: what is urban regeneration?** Formation and training on urban regeneration: methodologies and types 2. **Laboratory: the art of transforming spaces into places** Laboratory of design and brainstorming about three places in Stintino: what kind of regeneration project do you suggest? What kind of functions should be hosted in these places?
23 september - afternoon	❖ **Creative laboratory: co-creation of alternative local map**
24 september - morning	1. **Laboratory:** co-creation of creative sign for the public space Creation of fake signs to be posted in the selected locations, leaving a trace of the passage and of the thoughts developed during the previous days. 2. **Discussion**: what type of project could we create with our NGOs in our territories?
24 september - afternoon	❖ **Return to the local community**
